## Win a Three Night Oceanfront Stay on Martha's Vineyard

Generous friends of YGRC have donated the use of their house on Martha's Vineyard as a raffle prize to raise money to purchase the land to create Pagey's Preserve. You could win a three night stay at the Captain's House - one of three homes at Sagehaven. Sagehaven, located in Oak Bluffs, has direct beach access and stunning water views. This beautiful property was named in honor of their beloved "Sage", a golden retriever who spent many happy days there running on the beach and enjoying life.

The Captain's House features 4 bedrooms and 3 bathrooms and easily sleeps 9 people. Well behaved dogs with responsible owners will be permitted. **The winner will have the option to stay any 3 nights between September 15 and October 15, 2012** subject to availability. Early fall is the perfect time to visit the Vineyard when the summer crowds have gone and the gorgeous days remain. For more information about the property and pictures please go to [www.sagehaven.com](http://www.sagehaven.com)

All proceeds from this raffle will support the creation of **Pagey's Preserve** - a wonderful tribute to Rachel Page Elliott and her husband Mark. It is hoped that 9 acres of their River Road Farm containing 1000 feet of frontage on the Concord River in Carlisle, MA can be preserved as conservation land for all people and dogs to enjoy. *Yankee Golden Retriever Club*, of which Pagey was a founding member, has pledged to make a significant contribution and hopes this raffle will help make that possible.

**Prize value: \$2000      Drawing: April 3, 2012**  
**Tickets: \$5 each or 5 for \$20**
